Water Main Break 800 to 900 block of Jordan

A 12-inch water main ruptured on the 900 block of Jordan this morning. Water to customers in the 800 to 900 block of Jordan will be impacted. Repairs have begun and are expected to be completed by 6 pm today.

All customers affected have been notified in person or by written notice. Customers needing additional information, should contact the Field Operations' Service Center at 673-6551.
